Dear Mr. Alston:

I guess you are wondering what I can be writing you so close upon the last letter. Well I have just learned I cannot have the park I was trying to get for Saturday April 27th. It has been rented to another club. I was not anxious to play in Raleigh, as I do not think it is a very good spot, but it is the best spot left to break the jump from Durham to Richmond.

I do not know any one there, and was wondering if you would be interested in distributing the cards. In fact taking care of the game if it can be arranged. I am sure we will not have any trouble getting the park at the school if the other one is not finished. Do you know who to contact to get the park? The day is a Saturday and we could play an afternoon game.

Will you take care of this right away for me, or if you are unable to do so let me know, and I will write directly to the school.

Thanking you in advance for your assistance.

Very Truly Yours
